

Bruno Stairlifts
KEEP THE COMFORT
OF HOME

www.bruno.com

ENJOY YOUR HOME ON ALL LEVELS

Gain the freedom to safely stay in the home you love with a Bruno stairlift. There's a Bruno stairlift to match every home, budget and lifestyle.

DESIGNED TO MAKE YOUR LIFE EASIER

COMPACT: Slim vertical rail installs close to the wall to give plenty of open space for family and pets. Fold up the armrests, footrest and seat to gain even more room.

SAFE: Safety sensors stop the chair if an obstruction is sensed, and an offset swivel makes getting on and off the stairlift safe and easy.

DEPENDABLE: Two 12-volt batteries are continuously powered from any outlet to provide dependable performance even if electrical service is interrupted.

SIMPLE: Armrest rocker switch provides easy stairlift operation. Two wireless call/send controls are also included.

VERSATILE: Folding rail option provides solution if to avoid obstructing a doorway at the bottom of a stairlift. Or, park the stairlift around the corner with a curved rail stairlift.

COMFORTABLE: Generous seat size and multiple seat heights fit most body types.

ELAN INDOOR STRAIGHT

Bruno's popular Elan indoor straight stairlift blends easy-to-use operation, unsurpassed safety and affordable dependability. Restore full access to your home with the space-efficient Elan.

Compact Design:

- Sleek vertical rail installs only 127mm from wall for maximum open space on steps
- Folded stairlift takes up only 305 mm for ultimate space saving capability

Spacious Seating:

- Wide, 509 mm, standard seat accommodates most body types
- Adjustable seat height for optimal comfort

Peace-of-Mind Functionality:

- Continuous charge strips recharges stairlift unit wherever it stops
- Power-options can be easily added at initial installation of stairlift or in future

"We are completely pleased with our Bruno stairlift. It has enabled my wife to negotiate the stairs without pain or difficulty."

"We love our stairlift. It has made life so much easier for us. We would gladly recommend this product to others."

OPTIONS

Manual footrest lever. Flip lever to raise footrest without leaning over.

Power or manual folding rail for narrow hallway or when doorway is at the bottom of stairs.

Power swivel seat for effortless exit. Armrest switch control or wireless call/send.

Power folding footrest automatically flips up/down when seat is raised/lowered. Arm switch control optional.

ELITE INDOOR STAIRLIFT

Treat yourself to the luxury seat and smooth ride of a Bruno Elite straight stairlift. With a unique 190 kg weight capacity, the Bruno Elite gives you the confidence of a high-quality, reliable stairlift to enjoy your home well into the future.

Ultimate Comfort:

- Plush, large seat size with multiple height adjustments
